

RULLA NEHME, 36

PARTNER - INDEPENDENCE
FINANCIAL PARTNERS

Why did you select your profession?

I felt as though one could not get through life successfully without some degree of financial planning and wanted to learn and help clients implement these strategies.

Where do you see yourself professionally in 10 years?

In 10 years, I see myself expanding even further with my own personal team of advisers, para-planners, executive assistant and interns.

What advice would you give your 22-year-old self?

Realize that no single individual has a corner on all good ideas.

What is your favorite Rhode Island escape or hobby?

Boating. I am the captain of my own Sea Ray.

What is your favorite Rhode Island restaurant?

This one is extremely difficult and unfair. It would be a battle between Trattoria Zooma, Providence Oyster Bar and the Manisses Restaurant (on Block Island) for me ■

THE PROP: Rulla Nehme captains her own boat throughout Rhode Island's waters, enjoying both the trips and destinations.
